

Castlemaine Idyll Registration Process

The Idyll Team would like to share some more information about the registration and selection process for our beloved Castlemaine Idyll.

This year's event registrations opened on December 29, 2025 and will close on January 19, 2026. We share info about registration through social media, lot19 website and via the lot19 newsletter, as well as local newspapers and radio.

After registrations close, the Idyll team will select the performers. Due to the overwhelming popularity of Idyll, sadly not everyone who registers will be able to perform - there are 30 performance slots on the day, so we have to restrict numbers to accommodate this.

The Idyll team considers factors including date of registration, song choices and frequency of past performances. We encourage new performers and value diversity.

Once the decision has been made, registered performers will be contacted and performers who have missed out on a slot will be issued a Castlemaine Idyll ticket.

Occasionally artists need to pull out of their performance, and as such, we build a waitlist. Our Musical Director will ask performers if they would like to join, with the understanding that if they are called up, they may not be able to choose their original song.

If you're keen to give Idyll a shot in 2026 - register now! www.lot19.au/idyll

Information about Castlemaine Idyll Kids Karaoke will be shared at the end of January - keep an eye on our socials!
